## REMARKS

Claims 21-46 are pending and claims 22-27 are amended.

In the Office Action, the drawings are objected to as failing to comply with 37 CFR 1.84(p)(5) because they do not include the following element mentioned in the description: 1221, a micro climate vent, as recited s 23, 45 and 46.

Claims 22-27 and 43 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In particular, the Examiner notes that use of “a side wall” in claims 22-26 is confusing in light of the recitation of “a plurality of side walls” in claim 21, because it appears to be introducing additional side walls to the “plurality of side walls” in claim 21. In addition, the limitation “the side wall” in claim 27, line 2 lacks an antecedent basis.

Based on the foregoing amendments and the following remarks, the application is deemed in condition for allowance, and reconsideration and action to that end is respectfully requested.

In amended FIG. 3, element number “1211” is corrected into “1221” to designate the “micro climate vent 1221”. Thus, the drawing objection is obviated.

The rejection of 35 U.S.C. 112 is also obviated by the Amendment. The above claim language, “a side wall” in claims 22-27 is changed into “one of the plurality of side walls”, which is consistent with claim 1 and also provides an explicit antecedent basis where required.

We acknowledge with appreciation the finding that claims 21, 28-42 and 44 defined allowable subject matter.

Accordingly, entry and approval of the present amendments to the drawing and claims, and allowance of all pending claims are respectfully requested.

**Petition for Extension of Time**

Applicant respectfully requests that a one-month extension of time from December 26, 2005 to January 26, 2006 be granted for responding to the office action. A check for the official extension fee is attached.

In case of any additional fees occasioned by the filing of the present response/amendment are required, the Commissioner is hereby authorized to charge such fees to Deposit Account Number 01-0035.
